TEMPE DIABLOS SUPPORT KID ZONE STEM PROGRAM

The Kid Zone STEM program provides hands-on, engaging activities that deliver positive experiences in Science, Technology, Engineering, & Math. This program is supported by a generous grant from the **TEMPE DIABLOS CHARITIES**. The goal of STEM in the afterschool setting is for students to come to value STEM & develop interests in STEM fields & activities. By introducing concepts in a relaxed setting, Kid Zone will develop participants' abilities to productively engage in STEM learning activities.

Check out what we offer:

Science— Hands-on Physics,

Botany (live plants), Chemistry, Geology, Astronomy, Biology (live animals) & Paleontology

Technology— Exploration of Robotics, Video Game Production, Digital Photography, Graphic Design & Inventions

Engineering— Experiments & challenges from the worlds of Chemical, Aeronautical, Civil, Electrical & Computer Engineering

Math— Showcase the joy of math through brain teasers, puzzles, art, playing cards & dice games.

Tablet Time— Bringing technology into the hands of our students is key. Each site will get a chance to experience hands-on learning and creativity using a tablets' amazing technology.

Science Kits— Air Rockets, lava lamps & other experiments are delivered weekly to each Kid Zone site to build a passion & excitement for STEM in our youth!

KID ZONE COMMUNITY

★ **Goodwill Community Service**

Project— This summer Kid Zone collected 1,420 pounds of items to benefit Goodwill! These donations make such a huge impact on our community and environment. The donations are reused and repurposed, and also help fund 22 Goodwill career centers. What a great service and learning experience for kids!

★ **Fall Camp Registration Begins**
